February 2012

From The Desk of the Grand Knight

Brother Knights

Great weather we are having this year, I can't believe how mild it has been. I keep expecting to get a really severe storm to make up for this good weather, I guess we will see.

I want to try to encourage all of our fourth degree members to attend the assembly meetings. They are generally dinner meetings at Valicia's Restaurant. Our council has three members that are officers in the assembly.

This month's dates to remember:

2/23	Officer's Meeting
2/28	Council Meeting

I hope we can get a good attendance at our meetings; the attendance has been somewhat low for the past few meetings. I know this time of year is harder to want to leave the comfort of our homes, but this year has been pretty mild, please think about coming.

Remember, don't keep the faith...spread it around

Ray Ward, Grand Knight.

Insurance Message FEBRUARY TAX TIME AGAIN

This month, I chose to pass up the opportunity to use the age old cliché about two things we must do...although the timing should certainly bring it to mind. This season, in most homes, is financial accounting time. I'd like to wager that, at some point in the process, someone will ask (probably you!) "Where did all our money go?" Surely, all of the money we earn finds a home somewhere. ...the grocer, the mortgage,

the tax man. Very little, if any, is left over for a personal bank account or other investments. Most of us consider ourselves fortunate if we've managed to pay our bills! Folks usually save what's leftover and for most folks, that's nothing.

The point is, whatever the amount earned, chances are good that it is spent providing for and rearing a family. Think about that for a minute. The needs of that family continue - food, shelter, clothing - even if the breadwinner suffers an untimely death.

So what does income tax have to do with insurance? Simply this...it can serve as a reminder that protection for dependents should include an estimate of the current needs for money. While it may be convenient to say "I can't afford it," that's probably not accurate -when you consider that your family will be without any income should you die.

With this in mind, your Order has designed a plan which guarantees to continue income to your family for as long as they will need it. What's more, this plan will enable you to systematically

save some of those dollars so difficult to account for at tax time.

Call me today. I want to hear from you.

For Your Information BISHOP'S BURSE

Each year at the state convention, the State Deputy presents the Bishops of our Dioceses a check representing the contributions from our councils, throughout the state. This donation is used for the education of seminarians. A suggested contribution is \$1.00 per member, but any amount will be accepted. It is a small way of showing our support and the importance of priestly vocations to the Bishops, and it is hoped each council will be able to support this program. Contributions can be forwarded to the State Secretary prior to the state convention.

Your Bishop's Burse is a win-win situation in your Diocese. We need more priests to do our Lord's work and the donations really help.

Prayer to Stop Abortion

Oh God, forgive us for the atrocities of abortion. Forgive those who have the chance to help the unborn but turn their backs.

Breathe the wisdom of the Holy Spirit into our lawmakers and judges. Give courage and strength to those who must choose whether to terminate a pregnancy.

Give all of us the stamina to fight those who advocate abortion. Help us to respect the Sanctity of Life as an extension of Your Devine Love, We ask this as always, through Jesus Christ, Our Lord, Amen.

Get Well Wishes and Prayers

Our sincere best wishes to all our brothers and their families; Linda Krist, Marge Kanaley, Betty Howe, Al Howe, Wayne Wirth, Ruth Collins, Joe Manioci, PGK , Dee Marlatt, Mary Tymkin, Mike Strusienski and Robert Kanaley.
